

How to create a fundraiser using your computer:

1. Go to this page on Facebook: <https://www.facebook.com/pg/jelfloans/fundraisers/> and click the blue “Raise Money” button on the right.
2. A new window will open with information about creating a fundraiser, click the “Get Started” button at the bottom of the window.
3. The first question is Who are you raising money for? Click the box below and type JELF, then select the JELF - Jewish Educational Loan Fund page.
4. Complete the questions related to How much money do you want to raise? and When should your fundraiser end? Then click “next”. (please note: setting a fundraising goal inspires others to help you reach it. You don't have to reach your goal for JELF to receive the money.)
5. The next screen asks you to give your fundraiser a title and a description. Facebook already gives you text for both, but feel free to personalize as needed.
6. The next screen asks you to pick a photo for your fundraiser. Facebook will suggest recent photos shared on the JELF page, any of the first few options will work.
7. Next click “create” and your fundraiser will be “live”. You can then tag friends, etc. to increase awareness of your fundraiser.

How to create a fundraiser using the Facebook app:

1. Go to the JELF page on the Facebook app. You can enter “JELF - Jewish Educational Loan Fund” in the Facebook search box and our page should be the first choice.
2. Look below the image, the JELF - Jewish Educational Loan Fund heading and the “Donate” button. There will be a menu of options across the screen, starting with Home, About, Events and so on. Scroll right to the end of the options: Fundraisers is the last option listed.
3. The next screen confirms that you'd like to create a Fundraiser for JELF, click “Raise Money”.
4. The next screen gives you the option to choose a photo (the current JELF “cover photo” or upload a different photo). You can also edit the preset text for the fundraiser title and description. Scroll down to select the amount you'd like to raise (“goal”) and the end date. (please note: setting a fundraising goal inspires others to help you reach it. You don't have to reach your goal for JELF to receive the money.)
5. Next click “create” on the top right and your fundraiser will be “live”. You can then tag friends, etc. to increase awareness of your fundraiser.
