

OVERCOMING SOLICITATION OBSTACLES

What makes JELF different and why donors still need to support - regardless of where else they give!

1

FEDERATION SUPPORTS JELF.

Unfortunately even with financial support of 18 Jewish Federations across JELF's five-state region, Federation only covers 3% of JELF's student need.

2

MIDDLE CLASS SUPPORT

The Jewish community has a gap in support specifically for the middle class.

3

FINANCIAL AID GAP

The Jewish Federation provides financial support for preschool, day school, camp, Israel, high school and gap year - but not college.

4

BETTERING THE FUTURE

Higher education for the Jewish community results in more Jewish community donors.

5

EDUCATION IS A JEWISH VALUE

The Jewish community is the most highly educated religious group in the world. As costs rise, we must continue to facilitate this by helping to pay for it.
