Richard Peretz
BOARD CHAIR

I'm honored to be JELF Board

Chair and grateful for the trust placed in me. This is a meaningful time to serve, as JELF's impact and responsibility continue to grow.

I have looked forward to diving into this role at a time when JELF's impact — and responsibility — have never been greater.

JELF's model is both powerful and proven. By providing interest-free loans and achieving exceptional repayment rates, we are able to recycle capital, support more students, and steward donor dollars responsibly. It's a rare alignment of mission and financial discipline — and one that sets JELF apart.

As Board Chair, my focus is expanding our donor and alumni pipelines, strengthening our financial foundation, and ensuring we meet growing demand without compromising the excellent service we provide to students and their families.

At its core, JELF is about access, opportunity, and trust — and protecting that trust is our highest priority.

RICHARD PERETZ
BOARD CHAIR

Jenna Shulman
CEO

Thank you for helping turn dreams into diplomas.

Every JELF loan represents a student's ability to move forward. As I enter my 12th year with JELF, I am overwhelmed by our growing student population and new donor base!

This past year, **nearly 500 students** turned to JELF amid rising educational costs and increasing financial complexity. Meeting that level of demand required thoughtful decision making and disciplined expansion — ensuring we could support students while protecting the integrity of our model.

I'm proud of what we've built together and energized by what lies ahead.

Thank you for being part of JELF's story!

JENNA SHULMAN
CEO

Guiding Students Forward

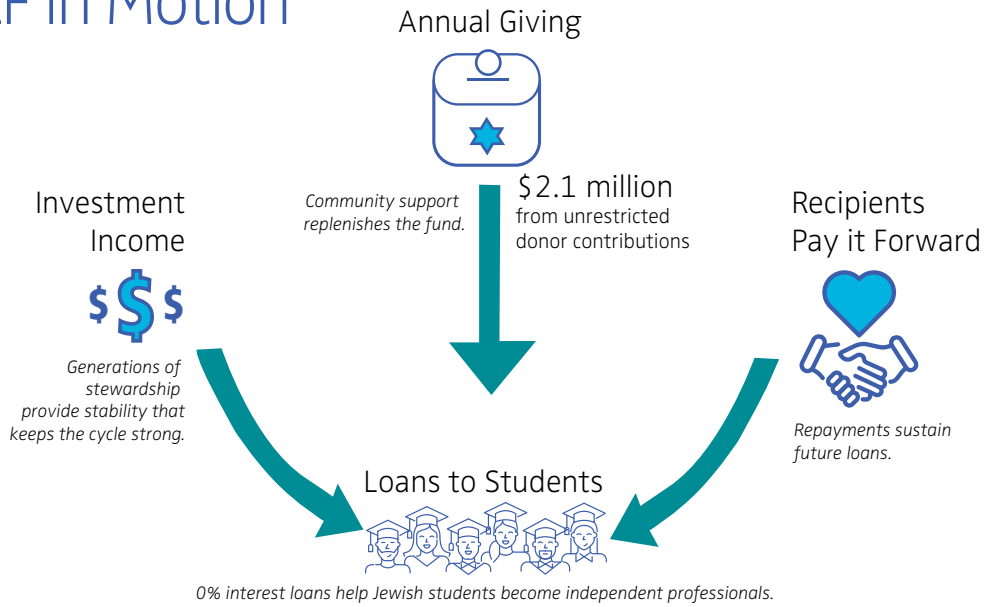

LAURIE TURNER
Miami JELF
Local Administrator,
2001 - 2026

I first became involved with JELF as the Local JELF Administrator (LJA) in Miami through Jewish Community Services (JCS) of South Florida. While in that role, I had the privilege of conducting interviews with **hundreds of students and families** as they navigated the college funding process. **What stayed with me most** was the feedback JELF received — students consistently shared how supported and understood they felt, which meant the world to me.

Being part of their journey did not end with submitting their application. I loved watching so many of them persevere, often despite many obstacles, through undergraduate and graduate school, and as they **built meaningful careers**. That full circle experience is what continues to inspire me and keep me connected to JELF today as a volunteer, donor, and friend of the organization.

myJELFstory

“ This has been a lifesaver for our family! Our daughter has a chronic illness, which has put quite a bit of financial stress on us. JELF, with their generous no-interest loan, has made the daunting task of paying for college much more manageable. On behalf of our family, we can't thank you enough!”

“

Thank you for all your assistance. JELF is a Godsend for us and we appreciate all that you do for Jewish students around the region!

ADAM S. | TAMPA, FL
3rd time borrower

My son is a scholar-athlete and had generous athletic and academic scholarships, but college was still unaffordable for our family of six. Thanks to JELF, we were able to help our son see the fruits of all his hard work.

ELI S. | BOCA RATON, FL
Parent of 4 teenagers

Thank you once again for helping fund my education. It makes a huge difference for me and my family!

SARAH V. | CHARLESTON, SC
1st year nursing student

I'm incredibly grateful for the way JELF lifts up students like me, my sister, and my brother. Thank you again for everything you do.

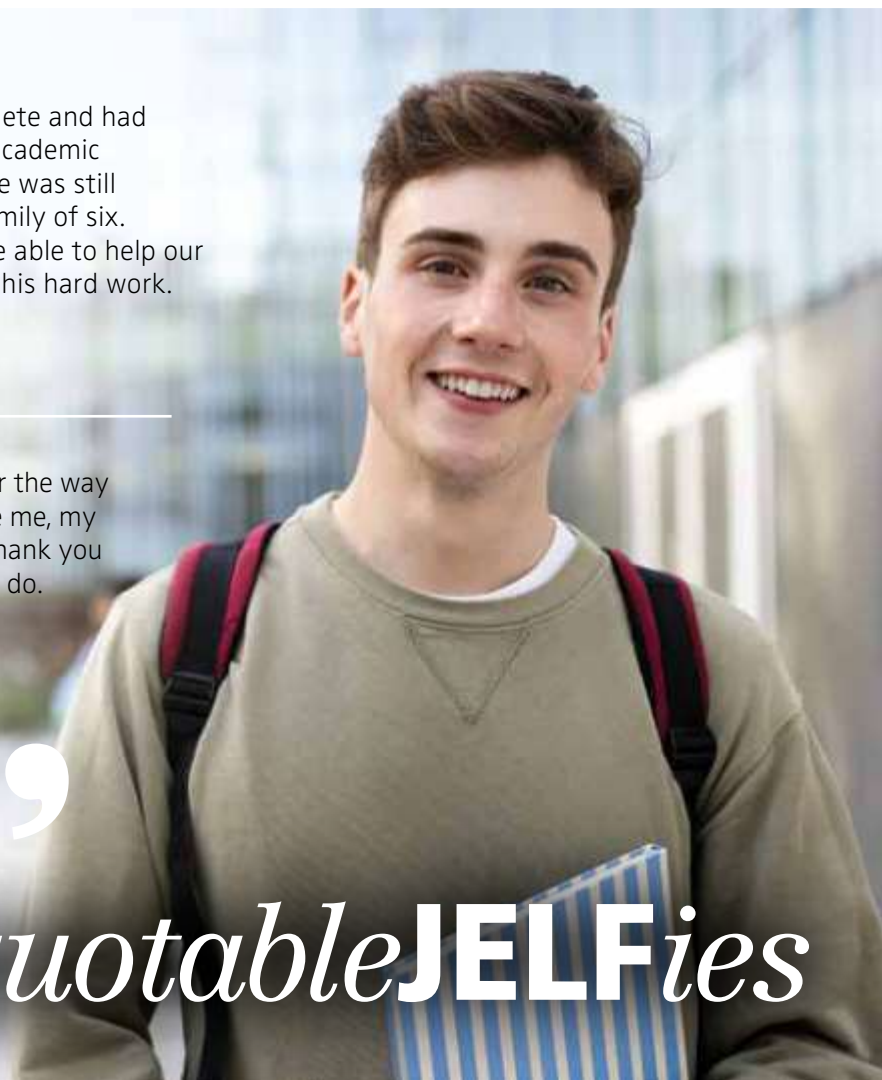

ABBY R. | RICHMOND, VA
Single-parent household

Words don't express how thankful I am for the help you've given me and my family. With JELF, I am able to be the first in my family to earn a degree.

JOSH T. | CHARLOTTE, NC
Israeli-born parents
